Greetings Druid Hills High School Community,

It is with great excitement to introduce myself as the new principal of Druid Hills High School. I am honored to have the opportunity to serve our community and all the diversity it holds.

I have been dedicated to the field of education for twenty-four years. Prior to becoming the principal here, I have served as a bus driver, transportation dispatcher, teacher, reading coach, and assistant principal. These experiences have prepared me for the opportunities and challenges facing our school.

At Druid Hills High School, my goal is to build upon and continue the existing culture of excellence and achievement, and to work collaboratively with our exceptional staff to provide an enriching educational experience for all students. I believe in fostering a positive and inclusive school culture that celebrates student success in all areas, and values the unique talents and contributions of every individual.

As we embark on this journey together, I welcome your feedback, and partnership. I am eager to learn more about the experiences and traditions that make Druid Hills High School an amazing learning community.

I am truly excited to work with each of you and lead our school to New Levels and New Heights!

Sincerely,

*Michelle Stewart*
